2024 ANALYSIS

After a year of ups and downs, those born in the year of the Pig are in luck this year! Supported by the Prosperity and Emperor stars, you shall sail through life with flourishing wealth and fame. You'd often meet benefactors, make new friends, and possibly get married. This is the time to let go of past worries. Take the chance to stride forward boldly and carve your own niche. Stay mindful of your health though, as unlucky stars are still present. Maintain neutrality and watch your words at all times. Don't be complacent.

Auspicious Colour(s) : **Yellow & Brown**
Auspicious Number(s) : **2 & 8**
